MAYA ROMANOFF AT DONGHIA

Luxe Interior + Design's editor in chief, Pamela Jaccarino, joined Joyce Romanoff, president of renowned wallcovering brand Maya Romanoff, in celebrating the release of *Multifarious: Maya Romanoff's Grand Canvas*—a new biography on the life and work of the company founder. Hosted at the Donghia showroom in Dania Beach, the event featured an artisan from Maya Romanoff's Chicago studio who conducted a painting demonstration, re-creating several of Maya's handcrafted wallcoverings. Joyce also brought in materials from the company's rich archives to put on display, including colorful canvas, silk and leather pieces dyed by Maya in the late 1960s.
