An intricately hand-inlaid wood veneer referencing Art Deco straw veneer. Ajiro Fanfare captures and reflects light beautifully. Micro-thin wood on paper backing, Fanfare is flexible enough to wrap columns and turn corners. A cost-effective and environmentally sound alternative to traditional wood paneling, finished in our Chicago studio.

Width Approx. 36" untrimmed (91.4 cm),
9 sq ft/yd (0.84 sq m/yd)

Roll Size 12 yd (10.8 m)

Minimum Order 24 yd (21.9 m)
Minimum Order AF-3604 12 yd (11 m)

Order Increments 3 yd (2.7 m)

Repeat Approx. 6" W × 6" H (15.2 × 15.2 cm)

Custom Color 42 yd min. order (38.4 m)

Content Natural or hand-painted wood veneer,
Paper backing, ASTM E84 Class A

Rapidly renewable material
