From **Flavor Paper's** Andy Warhol collection—a collaboration with the Andy Warhol Foundation for the Visual Arts—Glamericana features some of the artist's most iconic portraits including Marilyn Monroe (pictured) and Elvis Presley. FLAVORPAPER.COM

7

Ajiro Fanfare from **Maya Romanoff** is a wood veneer referencing Art Deco straw marquetry, capturing and reflecting light. Micro-thin wood on paper backing, Fanfare is flexible enough to wrap columns and turn corners. MAYAROMANOFF.COM

8

From **Innovations USA**, Bauxite evokes the tellurian beauty of natural minerals. Available in seven geodic colors, it incorporates thin, raised metallic ridges that span the wallcovering in horizontal waves. INNOVATIONSUSA.COM
