In collaboration with design firm Jeffrey Beers International, Ajiro Burst of Happiness™ evokes a feeling of euphoria—an emotive and sophisticated wallcovering for any environment. Hand-inlaid paulownia wood veneer is laser-cut to reveal a beautiful, energized stream of metallic foil “bursting” throughout a classical hexagonal pattern. Available in 10 related colorways.

Width	Approx. 36" untrimmed (91.4 cm) Approx. 35.75" trimmed (90.8 cm) 9 sq ft/yd (0.84 sq m/yd)
