Ajiro Sunburst provides an elegant sunburst pattern in a classic, hand-inlaid wood veneer. Crafted with micro-thin wood on paper backing, Ajiro is flexible enough to wrap columns and even turn corners. A beautiful, cost effective and environmentally sound alternative to traditional wood paneling. Finished in our Chicago studio.

15" Width Approx. 30" untrimmed (76.2 cm)
18" Width Approx. 36" untrimmed (91.4 cm)
