

Products to Know Now

**THE JAVA RUG FROM ART OF FLOORS
ARTOFFLOORS.COM**

Handmade from tightly woven polyester chenille, this richly dip-dyed yarn expresses multihued tonality with a high level of sheen. Aesthetically reminiscent of roasted coffee beans, the rug can be made in any size or color.

**ICONIC METALS – BAMBOO FROM ASI
ARCHITECTURAL SYSTEMS, INC.
ARCHSYSTEMS.COM**

Lightweight, self-adhering, coated in clear polyurethane, and available in four shapes. An eclectic combination of copper, silver, and brass tones in a thick and thin 6-by-24-inch profile showcases organic finishes.

**HALFTONE FROM ASTRO LIGHTING
ASTROLIGHTING.COM**

The focus is on the simple form of a circle with an etched pattern on a translucent, clear acrylic. Its subtle pattern begins from the edge of the disc and increases with intensity, creating a vivid ring of light.

**RYME FROM AVA BY NOVALIS INNOVATIVE
FLOORING | AVAFLOOR.COM**

Offering large 9-by-48-inch loose-lay planks in contemporary and rustic classic oak designs. Quick and easy to install with less floor prep, the flooring hides imperfections better than standard glue down LVT.

**BELLO BARSTOOL FROM BEAUFURN
BEAUFURN.COM**

The solid beech frame features cylindrical tapered legs and ovalscent stretchers. The curved pan seat is 18 inches wide and the back shells taper inward as it goes up and around.

**VERGE SOAP & FAUCET SETS FROM
BRADLEY CORP | BRADLEYCORP.COM**

The no-touch design keeps hands and germs off soap and faucet surfaces using advanced sensing technology. A smart sense system with LED light illuminates when the tank begins to run low on soap or power.

THE V. VANITY & MIRROR FROM BRAND STANDARD FURNISHINGS
BRANDSTANDARDFURNISHINGS.COM
 With its intricately patterned enclosed mirror and chic vanity, this casegood exudes an Old Hollywood level of grandeur and glam. Originally crafted for the newly unveiled Virgin Hotels Las Vegas.

THE BEVERLY FROM CHARTER FURNITURE
CHARTERFURNITURE.COM
 Ribbons of slender satin-black, iron-plated stainless steel are coaxed into geometric forms. Sophisticated contoured demi-lune upholstery nests within the ribbon cradle. The sculpted upholstered back offers a subtle horizontal channel pull.

CUYAHOGA FROM CORTINA LEATHERS
CORTINALEATHERS.COM
 Protection with Crypton allows for use in high-traffic environments or where stain resistance and cleanability is required. Hides are selected to minimize scratches, bug bites, and scars—maximizing the yield of clean panels and affordability.

WARRINGTON COLLECTION FROM CULP HOSPITALITY | CULPHOSPITALITY.COM
 The new i-Clean Barrier Plus fabric finish incorporates chemistry to protect and surround each fabric fiber. An integrated moisture barrier seals the fabric and is designed to stay put on heavy-use furniture and softgoods.

JAVA SHELF FROM DOME DECO
DOMEDECO.US
 This shelving system serves many applications, from dining rooms to hotel lobbies. Because it is modular it also comes in small packages, making it easy to transport and handle.

UP COLOR FROM DURKAN | DURKAN.COM
 The line features an expansive and flexible collection of proprietary Definity broadloom and corridor patterns, Pattern Perfect broadloom and carpet tile products, innovative PDI print tile offerings, and coordinating tufted rooms carpeting. Manufactured using the ColorSpace yarn bank.

**PETALE FROM EXPORMIM
EXPORMIM.COM**

Designed by MUT Design, the chair is made of stainless-steel tube and textile. Add a cushion to the seat for extra softness and play with the available textiles to customize it to suit specific needs.

**CONSTELLATIONS MULTIPURPOSE
TEXTILE SET FROM FABRIC INNOVATIONS
FABRICINNOVATIONS.COM**

A solution for drapery, upholstery, and boxspring covers, all in one textile set in neutrals and soft gray hues. Fabric is 100 percent polyester, 118 inches wide, and NFPA 701 compliant.

**BLOOM COLLECTION FROM NOW
CARPETS | NOWCARPETS.COM**

The rug's dramatic floral design is intricately woven, and each color is hand mixed to create an almost photographic effect. Made of NZ Wool and Bamboo Silk, in a hand-tufted system.

**HOLIDAY AND DOVE BATHTUB
COLLECTION FROM DEVON&DEVON
AND GENSLER | DEVON-DEVON.COM;
GENSLER.COM**

Bodies of tub inserts and a universal shell are made of White Tec Plus, a compound that is recyclable. A Calacatta Oro marble sleeve can be added to the plinth, smooth or molded.

**CANNES ARMCHAIR & SIDE CHAIR FROM
GROSFILLEX
GROSFILLEXFURNITURE.COM**

Crafted in fiberglass-reinforced polypropylene, the collection uses UV stabilizers to prevent fading. The chairs stack easily for off-season storage and are tested to ASTM-B to ensure safety and long life.

**TRUE COLLECTION FROM HALLMARK
FLOORS | HALLMARKFLOORS.COM**

Flooring is made using the bog-wood process that occurs when logs lie buried in lakes, river, and waterways, deprived of oxygen and sunlight, for hundreds of years. The natural method creates weathered patinas.

**ELEMIXX FROM HOTELSIGNS.COM
HOTELSIGNS.COM**

Offering an earthy and industrial look, both the faceplate and backplate are available in printed concrete, wood, marble, or metallic finishes for maximum versatility.

**SOFA-WALLBED SECTIONAL FROM INOVA
INOVABED.COM**

Available in three sizes, this piece offers various sofa selections consisting of six arm styles and three skirt styles. Cabinetry finishes are available in stained wood veneer, lacquer, and laminate, with the optional custom match.

**ANATRA MODULAR FROM JANUS ET CIE
JANUSETCIE.COM**

The seven pieces allow for numerous sofa configurations punctuated by deep cushions. Rope finishes include Cadet with a Platinum or Cyan cross weave and Oxford with a Nickel or Cyan cross weave.

ZOOM FROM LACAVAL | LACAVAL.COM

The electronic faucets and soap dispensers feature a spout with a flattened curve for modern and clean lines. They offer an integrated infrared sensor, auto-stop safety feature, and are available in several finishes.

**AUTUMN FROM MARQUIS
MARQUISSEATING.COM**

The trundle sleeper sofa hit the hospitality market in 2020. The sleeper portion pulls out from the bottom of the piece, allowing for easy setup and stow.

**ZEN GARDEN FROM MAYA ROMANOFF
MAYAROMANOFF.COM**

Tiny glass beads are encapsulated in a resilient compound, then hand-raked across a nonwoven base and colored. Panels can be straight hung with side-matched horizontal lines, or reverse hung for a more random effect.

**CÁSSANDRA FROM MTI BATHS
MTIBATHS.COM**

This freestanding tub is available in white or biscuit, soft matte or hand-polished deep gloss finish, and offered as a soaker or air bath. Constructed using SculptureStone that is 70 percent organic stone combined with high-performance resins.

**INTERLOCK COLLECTION FROM NOURISON
NOURISON.COM/HOSPITALITY**

Hand tufted with a loop pile for softness and durability, these area rugs feature a unique space-dyeing technique for depth and dimension. Urban-inspired palettes are perfect for both residential and commercial spaces.

**GOA CB FROM FENABEL
FENABEL.PT**

Designed by Francesc Rifé Studio for the Senta line, the armchair's duality is defined through wooden bodies and comfortable and enveloping textures.

**JUMBO FROM OUTDESIGN GROUP
OUTDESIGNGROUP.COM**

The lounge chair is wide with a hand-woven rope backrest and wings that mimic elephant ears. The chair frame is made of powdercoated aluminum in a teak woodgrain finish.

**AZAL ARMCHAIR FROM OXFORD GARDEN
OXFORDGARDEN.COM**

Smooth curves and crisp angles converge on a frame of powdercoated aluminum. An integrated cushioned seat of reticulated foam fully upholstered in composite sling and reinforced by a high-tenacity PET fiber latticework bottom resists sagging.

**VINYL ZEBRAWOOD FROM PHILLIP
JEFFRIES | PHILLIPJEFFRIES.COM**

Rich and rustic, the look of multicolor wood planks with a bold abstract stripe for a touch of graphic drama inspires this wallcovering. Available in nine colorways.

**WHAT'S YOUR ANGLE COLLECTION FROM P/KAUFMANN CONTRACT
PKCONTRACT.COM**

Woven and print upholstery fabrics offer fluorine-free spill protection. Patterns include color-splashed and sophisticated neutral diamonds, rectangles, squares, and circles in plush velvets, chenilles, and linen looks.

**FRACTAL FROM PRECIOSA LIGHTING
PRECIOSALIGHTING.COM**

The fixture's construction is created through tubular metal "branches" that not only give the chandelier its artistic shape, but also conceal the light sources. The branches end with hand-blown crystal plates, which feature a hand-cut wedge pattern that disperses light into glowing paths.

**DIVA CLUB CHAIR FROM RATANA
RATANA.COM**

This chair comes with technologically engineered Durastrap and tapered legs that are guaranteed to stand up to the elements of nature. Seats are molded into a hanging basket shape, creating a clean silhouette.

PREN STORAGE CABINET FROM ROOM & BOARD | ROOMANDBOARD.COM

West Virginia artisans shape U.S.-sourced solid wood into soft curves and beveled edges designed to draw the eye to the Cambria natural quartz top. One-inch-thick doors with an integrated pull and flexible interior storage enhance the function.

**SPOT TABLE FROM SAMUELSON FURNITURE
SAMUELSONFURNITURE.COM**

The table is versatile in size with an outer shell that is available in any color or sheen. The inner area can be built in a variety of ways, making each piece unique to the space in which it is placed.

**FINDING FOCUS FROM SHAW CONTRACT
SHAWCONTRACT.COM**

The series comprises tile, broadloom, and rugs with inspiration derived from Japanese gardens. ColorPoint construction creates sculpted, textured carpet using varied pile height capabilities in up to six colors for full patterns.

KEPNER LOUNGE CHAIR FROM STICKLEY CONTRACT
STICKLEYCONTRACT.COM

An upholstered seat and back are integrated with luggage-stitched seams into the frame, whose splayed legs and exposed back are solid white oak. Domestically and sustainably sourced.

REYKR FROM ALESSANDRO MUNGE
ALESSANDROMUNGE.COM

Inspired by maritime culture and industrial infrastructure, this multi-layered piece features a warm textural combination of leather, glass, and metal, merging utilitarian character with a refined industrial edge.

EL ALMA COLLECTION FROM TARKETT
TARKETHOSPITALITY.COM

In 10 unique yet interconnected patterns, the collection draws inspiration from traditional motifs and embroidery visuals developed by cultures in Mexico and Central America, spotlighting the artisans and communities who have long kept these traditional crafts alive.

VANGUARD FROM ELITE HOSPITALITY
ELITEMODERN.COM

Available in a variety of metal finish options and custom acrylic panel designs, these partitions offer functional and adaptable options for indoor and outdoor use. Designed with a removable booth extension and crafted in the U.S.

REVERIE BY MARCEL WANDERS FROM WALTERS | WALTERSWICKER.COM

The duality of powdercoated aluminum contrasts with soft woven resin. The structural frame is stainless steel to achieve a slim profile and incorporate the weave pattern.

PRIVACY SCREENS & ROOM DIVIDERS FROM WELLS INDUSTRIES
WELLSIND.COM

These indoor/outdoor powdercoated panels separate diners where space is limited and allow outdoor dining area expansion. Customization available, in addition to integrated heating lamps.
