## WINTER 2012 COLLECTION

### MOTHER OF PEARL MARQUETRY™

Mother of Pearl Marquetry is composed of hand-inlaid, genuine, farmed seashells in a classic marquetry pattern. The natural beauty of the shells is set off by the intricate inlay and decorative design. Offered in natural gold and white and hand-finished in four beautiful subtle colorations.

### JAVA JUTE™

Java Jute has a modern feel while utilizing ancient weaving techniques. Each strand of kenaf, a rapidly renewable reed, is hand dyed before it is woven on antique wooden looms—artfully crafting a surfacing material with subtle and fluid color variation.

### NATIVE SILK™ HAND-PAINTED VINYL

Native Silk retains the elegance of our popular Raw Silk wallcovering, with a greater depth of striation. Layers of reflective pigment are hand-painted on a subtly metallic ground, creating layers of texture and craft. Type II Vinyl with non-woven backing for durability and ease of installation.
